

\$500 Project Rebate Offer

Baran General Contractors

Offer Summary

Clients who begin their first project with **Baran General Contractors** are eligible to receive a **\$500 rebate** once the project is completed and paid in full.

Eligibility

- Minimum project value: **\$5,000.00 CAD (before tax)**.
- Offer valid for first-time clients only.
- The project must be contracted and completed directly through **Baran General Contractors**.
- Offer cannot be transferred, exchanged, or redeemed through any other company or affiliate.

How the Rebate Works

- The \$500 rebate may be **applied as a discount** directly to the project estimate or issued separately via **e-transfer or company cheque** within 10 business days of project completion and final payment.
- The form of payment (discount, e-transfer, or cheque) will be confirmed in writing before work begins.

Combinations & Other Promotions

- May be combined with our **10%-off coupon**, but the coupon is optional and not required.
- May not be combined with any other future promotions, referral bonuses, or third-party incentives.

Conditions

- The offer applies only to qualifying projects booked within the promotional period.
- Project changes that reduce the total below the \$5,000 threshold will void the rebate.
- The client must remain in good standing (no outstanding balances).

Important Notice

This promotion is issued and fulfilled solely by **Baran General Contractors**. It is not sponsored, endorsed, or administered by any financial institution or partner organization. All rebates are paid from company marketing funds.
